

TECHNICAL BULLETIN

Non-Coil Over Stabilizer (009600)

SUBJECT: Temporary Alternative Stabilizer Options

LIT NO: TP-H858

DATE: March 2021

REVISION: A

Hendrickson Specialty Products – Auxiliary Axle announces an alternative stabilizer to substitute for the standard Hendrickson equipment (**009600**). The alternative stabilizer will be used in the production of Hendrickson auxiliary lift axle steerable suspensions and steerable axles that utilize a compliant tie rod (CTR) or a heavy-duty compliant tie rod (HD-CTR). This diversification of suppliers was undertaken to ensure uninterrupted production and timely deliveries to our customers. This substitution also applies to aftermarket (part number **R-009600**).

Beginning on 3/29/2021, and until further notice, suspensions shipped from our Hebron, Ohio factory can have two possible stabilizers shown below: A (Standard Equipment) and B (Alternative Equipment).

Hendrickson wishes to notify its customers that these alternative stabilizers meet the same technical specifications and are in accordance with the standard stabilizers in terms of quality, performance, and service life.

A. Standard Hendrickson Equipment (Limited Availability):

B. Alternate Equipment:

As always, Hendrickson is committed to providing world-class products and exceptional customer service. If you have any questions or concerns, please contact Hendrickson:

Lift Axle Customer Service: liftaxle@hendrickson-intl.com

Technical Support & Warranty: liftaxletech@hendrickson-intl.com

Actual product performance may vary depending upon vehicle configuration, operation, service and other factors.

All applications must comply with applicable Hendrickson specifications and must be approved by the respective vehicle manufacturer with the vehicle in its original, as-built configuration. Contact Hendrickson for additional details regarding specifications, applications, capacities, and operation, service and maintenance instructions.

Call Hendrickson at **800.660.2829** or **800.668.5360** in Canada for additional information.
